## THE CHOCTAW WILL BUILD

**Authentic Information that the  
Choctaw will Begin Building from  
Amarillo this way Immediately**

**FORCED TO BUILD FORTY MILES TO SAVE CHARTER.**

The News has authentic information this week that the Governor of Texas in a late conference with the promoters of the Choctaw has positively refused to renew the charter if allowed to elapse or to extend the life of the present character under any consideration and that since such is the case the company has announced its intention to be-

## A FREAK OF NATURE.

**A Colt Foaled With Three Legs  
and is Otherwise Perfect.**

J. H. Abbott, a farmer at Dodson, writes this paper that one of his mares foaled a colt on the 8th inst, that has only three legs. The colt is perfectly developed in every other way, but has no sign of a leg on its left shoulder.

Mrs. Tranquilino Labodie, of Santa Rosa, sister of Mrs. N. V. Gallegos, is visiting her here this week.

### An Improved Home.

"Opportunity knocks once at every man's door." Here is one of them without any questioning. A farm of 160 acres with \$3000.00 improvements already made, good water, good residence, shade trees. All fenced patented land, 75 acres in cultivation joining townsite. Is on the market for 60 days only. Every acre as good land as can be found in Quay county. Produced 40 bushels of Indian corn per acre last year, with an abundance of Kaffir, maize, sorghum, pea nuts, beans, onions, potatoes, melons, garden vegetables, etc. Communicate with the Tucumcari Printing Co., at once if you are interested.

### The Smith Addition Sold.

The Smith addition to the town of Tucumcari including 80 acres, was this week sold to W. A. Jackson and Joseph Reed for a consideration of \$6,700.00. This is a valuable piece of property and is now laid off in town lots and is being rapidly taken by home builders. Messrs. Jackson and Reed should realize handsomely on this purchase.

O. M. Callahan was a business visitor for a few days this week.

gin the construction of the first forty miles immediately. In fact it is known that preparations are already under way to begin work at Amarillo. This is good news to Tucumcari as when forty miles are constructed it is not likely that everything under way will be abandoned, but it is reasonable certain that the line will come on into Tucumcari as soon as it is possible to build it here. All right let them come "Barkis is willin'."

W. F. Buchanan, president of the First National Bank, went to Amarillo, Wednesday.

C. J. Musselman is establishing a lumber business at Solana, the new town beyond Roy. He reports business growing there and soon the city will be heard from.

U. S. Court Commissioner J. V. Gallegos was in the city Wednesday from Conant. He says that section of the country is settling up very rapidly and the country is developing. The late rains have made the grass good and sheep and cattle are fattening.

Chas. Brown, the U. S. Commissioner at Cuervo, came in from Quay Tuesday where he had surveyed the townsite for Roy Welch. He tells this paper that there is not a prettier location anywhere in Quay county than this one. Mr. Welch is buying an automobile and will take prospective locators out to his townsite two or three times a week.

J. B. Caldwell is doing some very neat work in the Goldenberg store this week.

A. B. Simpson and S. C. Campbell are going to build a fine double stone building right away.

Chas. Beal is taking a months layoff as foreman of the roundhouse and shops here and is for a few days only assisting the ice factory people in fitting up their plant.

A. D. Goldenberg is in Kansas this week shipping sheep to Kansas City. The M. B. Goldenberg Co., has fed sheep at Hutchinson this winter and are now marketing at good figures.

Joseph Israel who has been spending the past three months at his old home in Germany is expected home today. Note the improvements in the city Mr. Israel in the short time you have been away.

### Townsite of Quay Sold.

Roy Welch has purchased the townsite at Quay, the consideration being \$1200.00. He will have the ground platted and begin the sale of lots at once. Quay is in a very rich section of the county, and Mr. Welch should realize on his investment in a very short time.

### A Record Well.

The Rock Island has just finished one of the very best wells in Northeast New Mexico. This well is just back of the Goldenberg warehouses, the depth is 400 feet with 225 feet of water standing in it, the water is like the rest of it in Tucumcari, the very best in quality, and seems to be inexhaustible.

W. L. Prentiss, of Arizona came in the first of the week and has purchased town property here and at Solana, and has also located a homestead at Solana. He intends to build on his Tucumcari property right away.

M. B. Stormant, living three miles north of town, has as fine potato, cabbage and tomato plants as one ever saw. He was in the market with a fine lot of them Wednesday.
